RULES FOR KLIPKRANS DAM

- ✓ Fly-Fishing Only.
- ✓ Catch and Release Only – Barbless hooks or well crushed barbs only.
– Fish must be handled with care to ensure maximum chance of survival after release.
- ✓ 8 Rods per day permitted to ensure no “Over Crowding”.
- ✓ Bookings will be administered strictly via the CPS office. The CPS in turn will inform the owner of your booking. Only members are allowed access and must have a valid annual dam permit. Members with no annual dam permit are subject to R60 per day rod fee.
- ✓ The land-owner will do periodic visits so make sure you have your membership card handy.
- ✓ No refuse is to be left at the dam. Everything you bring you will take home.
- ✓ No motorised watercraft allowed. Float Tubes and “Arks” are permitted. Because the dam is only 4 hectares no motors are needed.

Klipkrans offers camping and tented accommodation at their campsite for members wishing to plan a longer fishing trip. On the banks of the Breede River this offers more fishing opportunities. The Breede River is known for huge river carp, barbell and bass. Please have a look at their website www.klipkrans.co.za
