

# LAKENVLEI DAM

## Directions: From Cape Town through Ceres Village

Turn right at Bo-Swaarmoed. After 13Km turn Right at De Kok (Die Eiken) Boerdery onto dirt road. Pass through farm entrance (white pillars) and take the split to the left. (If this gate is closed your key will open a padlock with a box which contains the switch for the gate) Follow this road until the gate. Make sure you lock the gate behind you. Proceed through gate and turn left at first turn. Follow road down the hill towards hut and park to the left before hut. Vehicles may not be driven to waters edge, and must remain on the roads.
